If you have a foster child in your household, you may include them on your application. A separate application is not needed. Call the school if you need help: _____. Ensure that all information is provided. Failure to do so may result in denial of benefits for your child or unnecessary delay in approving your application.

- (1) Print the names of the children, including foster children, for whom you are applying on one application.
- (2) List their grade and school.
- (3) Check the box to indicate a foster child living in your household, or if you believe any child meets the description for homeless, migrant, runaway (a school staff will confirm this eligibility).

PART 2 HOUSEHOLDS GETTING SNAP, TANF OR FDPIR SHOULD COMPLETE PART 2 AND SIGN PART 4.

- (1) List a current SNAP, TANF or FDPIR (Food Distribution Program on Indian Reservations) case number of anyone living in your household. The case number is provided on your benefit letter.

- (5) **An adult household member must sign the application in PART 4.**

OTHER BENEFITS: Your child may be eligible for benefits such as Medicaid or Children's Health Insurance Program (CHIP). To determine if your child is eligible, program officials need information from your free and reduced price meal application. Your written consent is required before any information may be released. Please refer to the attached parent Disclosure Letter and Consent Statement for information about other benefits.

USE OF INFORMATION STATEMENT

Use of Information Statement: The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs.

We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

FREE AND REDUCED PRICE MEAL APPLICATION FACT SHEET

When filling out the application form, please pay careful attention to these helpful hints.

SNAP/TANF/FDPIR case number: This must be the complete valid case number supplied to you by the agency including all numbers and letters, for example, E123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number.

Foster Child: A child who is living with a family but who is under the legal care of the welfare agency or court may be listed on your family application. List the child's "personal use" income. This includes only those funds provided by the agency which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write "0" if the child has no personal use income.

Adult Family Members: All related and non-related people who are 21 years of age and older living in your house.

Separate economic units in the same residence are characterized by prorating expenses and by economic independence from one another.

Current Gross Income: Money earned or received at the present time by each member of your household before deductions. Examples of deductions are federal tax, State tax, and Social Security deductions. If you have more than one job, you must list the income from all jobs. If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months reported from their 1040 Tax Forms.

Examples of gross income are:

- Wages, salaries, tips, commissions, or income from self-employment
- Net farm income – gross sales minus expenses only – not losses
- Pensions, annuities, or other retirement income including Social Security retirement benefits
- Unemployment compensation
- Welfare payments (does not include value of SNAP)
- Public Assistance payments
- Adoption assistance
- Supplemental Security Income (SSI) or Social Security Survivor's Benefits
- Alimony or child support payments
- Disability benefits, including workman's compensation
- Veteran's subsistence benefits
- Interest or dividend income
- Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child's meals
- Other cash income

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.
